- () This home was evaluated and is listed on the Local Inventory of Historic Resources.
() This home was evaluated and is not listed on the Local Inventory of Historic Resources.
() This home has not been evaluated for listing on the Local Inventory of Historic Resources.
Any home that is eligible for inclusion on the Local Inventory for Historic Resources, based on the criteria outlined in Larkspur Municipal Code §18.19.020(A), will be subject to Historic Preservation.

Please be advised that properties that are listed, or are eligible for listing, on the Local Inventory of Historic Resources are subject to Historic Preservation pursuant to Larkspur Municipal Code, Chapter 18.19. Because historical resources are considered a part of the environment, projects that "may cause a substantial adverse change in the significance of an historical resource" are subject to the California Environmental Quality Act (CEQA).

Please be further advised that the use of, or proposed improvements to, the property may be subject to the conditions and/or restrictions of previously approved Planning entitlements, as well as any other legislative act of the City. File records are available for review in the Planning Department.

A copy of this report has been sent to the Planning Department. Contact the Planning Department at 415 927-5038.

Please be advised that the City of Larkspur recommends that all unauthorized construction and/or uses be removed and/or corrected as soon as possible. Permits and/or planning application may be required for submittal and approval prior to correction work, as noted below. The City of Larkspur reserves the right to take corrective action, at its convenience, which may result in fines, penalty fees, and/or legal action against the property owner. If the Building Department determines that unauthorized construction poses a threat to public health and safety, immediate corrective action will be required.

ACTION REQUIRED: No correction required. The corrections do not require permits.

The following permit(s) must be obtained before corrections can be made:

- Building Electrical Plumbing Mechanical Planning Approval

Notes and Limitations

- The purpose of this report is to identify any building deficiencies that are unsafe. It is not the purpose of this report to evaluate craftsmanship or require work done under old codes to be brought up to today's codes unless a safety and/or permit problem(s) exists. This report does not address termite damage; this problem must be analyzed by a private termite service.
- This inspection has been performed to determine general compliance with the **Uniform Housing Code** and does not imply or intend to imply any warranty to the subject structure. This inspection does not cover engineering for soils, geotechnical, drainage, foundation, structural, or any related areas. It is recommended that any party with concerns about these or any other item contact an architect or engineer licensed by the State of California for that specific area of concern.
- This Report shall not be construed as authority to violate, alter, set aside or cancel any of the provisions or requirements of any laws or ordinances of the City of Larkspur, nor shall issuance thereafter prevent requiring corrections for errors, violations, or any applicable law or ordinance of the City of Larkspur.
