

COMMUNITY OPEN HOUSE #2

NOVEMBER 12TH, 2019 6-8PM

South Eliseo Drive Multimodal Improvement Study

COMMENT ON THE DRAFT CONCEPT PLAN!

South Eliseo Drive connects Bon Air Road and the Corto Madera Creek Path and provides access to homes, offices, and Hamilton Park. It serves as a popular pedestrian and bicyclist route for both commute and recreational purposes and Marin Transit's 228 bus line. The City's Pedestrian and Bicycle Master Plan calls for pedestrian and bicycle improvements on this roadway.

This Open House follows a June 2019 event where the community provided input on existing conditions and feedback on potential opportunities to make the corridor more comfortable for everyone who uses the street. Please join us at a Nov 12th Open House to discuss the draft concept plan!
